Comment on FR Doc # 2015-08831

Submitter Information

Name: Thomas Gorney

General Comment

I am an investor with an IRA account. Within my account I purchase purchase put options and sell cover call options. I have taken the time to educate myself to use options to reduce risk. As my government, you have allowed the Federal Reserve to reduce interest rates to almost zero, thereby causing me to take on more risk in equities. Please don't take away my ability to reduce risk within my IRA by eliminating my ability to properly use options.

Thank you...
